

Woodcroft Camp: Ages 6 - 12

The Woodcroft Club's Grade School Traditional Summer Camp is specially designed for children ages 6 (completed 1st grade) - 12. Each week brings a unique theme, woven into a variety of activities, crafts, and games. Campers will also enjoy daily swim and tennis sessions, providing the perfect mix of active fun and skill-building opportunities.

Lunch and Snack:

Bagged lunches are available for \$85/week and include a main dish that you choose along with chips, a juice box, one side, one dessert, and one snack.

Schedule and Rates:

Camp Day: 8:30am - 3:30pm
Early Arrival: 7:30 - 8:30am
(\$50/week)
Members: \$305/week
Non-Members: \$340/week
Extended Day: 3:30 - 5:30pm
(\$75)

Cancellations and Transfers

Cancellations processed by April 21st will result in a refund of tuition paid less a \$75 registration fee per camper. The tuition balance owed is automatically billed on April 22nd. Once tuition is billed by Active on April 22th, a refund less the \$75 registration fee per child is no longer available. We encourage you to mark your calendar in anticipation of billing on April 22nd to ensure that you have an opportunity prior to that date, should you need to make changes to your child's registration. From April 22nd until 28 days prior to the first day of the session, cancellations are eligible for a 50% refund.

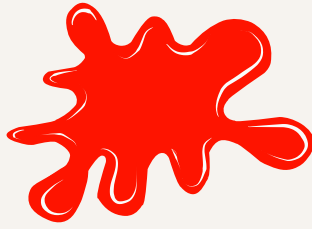

***No refunds or transfers of tuition will be given when cancellation is 28 days or less from the start of the activity or session. Partial attendance will not be reimbursed or credited. Fees for lunch/snacks are fully refundable when notice is given via email to camp@woodcroftclub.org at least 7 days prior to the first day of the activity, camp or session. No credits are offered in lieu of cancellation/transfer fees at any time.

***Changes to your registration must be made by logging into your Active account. Refund balances will be processed based on the above timeline.

Slime Science Extravaganza
June 9th - 13th

Get ready to get gooey! This week, campers will explore the science behind slime by experimenting with different textures and properties. From stretchy to fluffy to magnetic, campers will make a variety of slimes while learning about chemistry. It's a week of hands-on fun where campers create, test, and play with slime while discovering the magic of science!

Codebreakers
June 16th - 19th

Step into the world of mystery and puzzles! Campers will learn to crack secret codes, solve puzzles, and uncover hidden clues. From deciphering ancient ciphers to creating their own secret messages, campers will work together to unlock mysteries. With fun challenges and exciting activities, this week is all about using creativity and critical thinking to crack the codes and solve the puzzles!

Shake It Off!
June 23rd - 27th

Get ready to groove to the beat! This week, campers will explore the world of music, rhythm, and movement. From making their own instruments to discovering different music genres, it's a week full of sound and fun. Campers will learn a line dance, listen to music from around the world, and celebrate with a dance party. Whether making music or moving to the beat, this camp is all about having a blast with music!

**Stars & Stripes Adventure
June 30th - July 3rd**

STARS STRIPES

Celebrate the spirit of summer with a week of adventure and fun! Campers will explore the stars and constellations, create multicolored masterpieces, and discover the science behind fireworks. Scavenger hunts and team challenges will bring the excitement of summer celebrations to life. Campers will enjoy a week of imagination, teamwork, and fun!

**Studio Designs
July 7th - 11th**

Get ready for a week filled with color and creativity! Campers will start by tie-dying their own t-shirts and learning about color theory. Then, they'll dive into a variety of colorful crafts, exploring different ways to express themselves through color. This week is all about fun, self-expression, and a colorful blast of creativity!

**Innovators' Workshop
July 14th - 18th**

It's time to build, design, and innovate! From crafting boats that float to bridges that hold weights, we'll face exciting challenges and explore the magic of engineering. Campers will experiment with simple materials to build tall towers, fast-moving contraptions, and strong structures.

Junior Chefs: Taste & Create
July 21st - 25th

Put on your chef's hat and get cooking! This week, campers will explore the world of cooking with fun and simple recipes. From creating sweet treats to savory snacks, it's all about getting creative in the kitchen. Whether they're making a tasty snack or a fun dessert, the kitchen is their playground for culinary discovery.

Creative Masters
July 28th - August 1st

Step into the world of art and creativity! This week, campers will explore the works of legendary artists like Picasso, Frida Kahlo, and Yayoi Kusama. Campers will experiment with painting, sculpture, and collage to create their own masterpieces. This camp is all about self-expression, creativity, and discovering the joy of art!

Wizards World of Woodcraft
August 4th - 8th

Calling all witches and wizards! This week, campers will enter the world of Harry Potter, choosing their houses, making wands, and mixing magical potions. They'll take on the "Triwizard Tournament" and Quidditch-inspired games. Campers will work together to unlock their own magic in a week filled with enchantment!

Flights of Fancy
August 11th - 15th

Get ready to explore the magic of wind and air! This week, campers will create and experiment with things that float, fly, and move with the breeze. From discovering how the wind makes things move, this week is full of hands-on adventures!

Storytellers, Superheroes, and Sidekicks
August 18th - 22nd

Comic books, graphic novels, manga... nothing is more exciting than bringing stories to life with art! Campers will dive into the world of comics, exploring their favorite characters for inspiration. With sketchbooks in hand, they'll write, illustrate, and assemble their own comic books, creating heroes, adventures, and unique worlds. Get ready to unleash your creativity, tell your story, and share your one-of-a-kind comic with the world!
